

Do you use mental health services or care for someone that does?

We need your help!

The Care Programme Approach (known as CPA) is used by mental health services to assess people's health and social care needs and to plan their care and treatment.

The Government has recently advised us that changes need to be made to CPA to simplify the system and to focus on service users and their carers rather than on the paperwork. The trust has set up a task group involving service users and carers to start work on making changes to our paperwork and systems.

**Please join us to tell us what you think
about any changes that are being
considered. We need your views to help us
to ensure that we are developing ways of
working that meet your needs.**

The workshop will take place on

Tuesday 8th July 2008

2.30-4pm

Brownhill Centre, Swindon Road, Cheltenham GL51 9EZ

Payment for time and expenses will be paid.

If you are able to attend or would like further details please contact Joy Callum on 01452 891194 or email Joy.Callum@glos.nhs.uk or Kathy Holmes on 01452 891612 or email Kathy.holmes@glos.nhs.uk
